THE BEST EDUCATION

The tools that will guide you on your way

At ITAM, you will develop skills that will make you stand out from the rest and allow you to become a highly sought out professional not only in the public or private sectors, but also in education and research. Upon completing your degree at ITAM, you will become both a strategic analyst and an assertive professional, with the ability to propose practical solutions to specific public problems.

Upon completing the undergraduate program in Political Science, you will be able to

- Understand the way decisions are made in the three different branches of government: executive, legislative, and judicial.
- Plan, design, and evaluate strategies in order to improve the performance of public policies at the local and federal level.
- Provide consulting services on various topics of public concern.
- Evaluate public opinion, competition levels, and electoral behavior through complex methodologies and cutting-edge theoretical approaches.
- Analyze political risks of decisions in companies and in both public and private financial centers.

As a student in the undergraduate program in Political Science, you can design your studies according to your professional goals by choosing among the following specialization areas:

- Elections and Political Parties
- Public Opinion
- Comparative Political Systems and Organizations
- Political Economy and Public Policy
- Game Theory
- History and Political Philosophy
- Statistical Methods in Political Analysis

If you wish, you also have the option to pursue two undergraduate programs concurrently, thereby obtaining two professional degrees by only studying a few extra semesters. Furthermore, you also have the opportunity to take some courses abroad thanks to ITAM's Exchange Program, which has more than 80 agreements with the world's best universities.

EXCELLENCE

The professors that will guide you on your career path

ITAM's Academic Department of Political Science has more than 20 years of experience and it is the only program in Mexico offering a comprehensive theoretical and methodological approach. All of its full-time faculty holds PhD degrees from the world's best universities and they devote their time to both research and publishing papers in addition to participating in national and international conferences. They are members of the most recognized Mexican associations concerned with the Mexican political environment.

Beside their academic reputation, they also determine public, business, and industrial policies in our country.

Furthermore, the Academic Department of Political Science has prestigious lecturers who can share with their students their experience in both the private and the public sector and who can provide students the opportunity to add to the theoretical topics the practicalities of the current political context.
